NOTE FOR: ~~DDCI~~ ^{12 JUL 1983}
DCI

- Anticipating Public Affairs reporting to me after July 16th:
- There sometimes/often is merit in our participating in activities like this, but:
- It seems these requests generate a plethora of special memos, formal coordination, DDCI/DCI signature/other involvement.
- Any druthers for future Public Affairs guidance (e.g., referral to appropriate DD for decision; more pro forma responses; . . .)?
- At least, if you'd prefer to continue current practice, we will include a statement re recruitment potential, appropriate Directorate equity, etc.

P.S. See also attached  correspondence, which obviously involved DDI/other research. Can the DD make more such decisions on your behalf?
